| | | | Number of Registration | | | | | | | | | | |

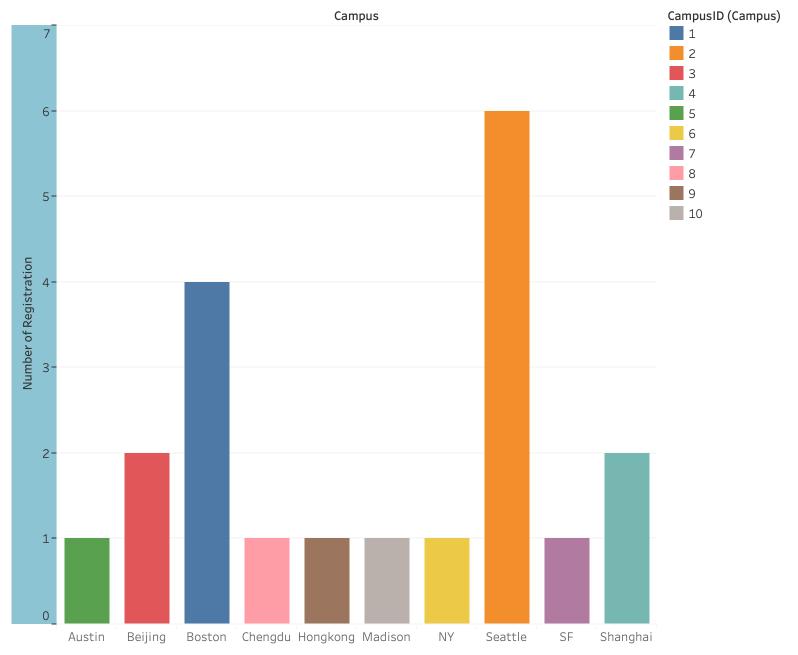

Registration by instructor

| FName | Title | Research Interest | | | | | | | | | | |
|-------|---------------------|---------------------------|---|---|---|---|-----------|--------------|---|---|---|--|
| Anny | Assistant Professor | polymer, electrolyte, nan | | | | | | | | | | |
| Bob | Assistant Professor | bioengineering; systems | | | | | | | | | | |
| Jane | Lecturer | petroleum engineering; C | | | | | | | | | | |
| Lucas | Professor | sustainability; polymers | | | | | | | | | | |
| Mary | Assistant Professor | theory; computational mo. | | | | | | | | | | |
| | | | 0 | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | |
| | | | | | | | Number of | Registration | | | | |

Registration by classroom

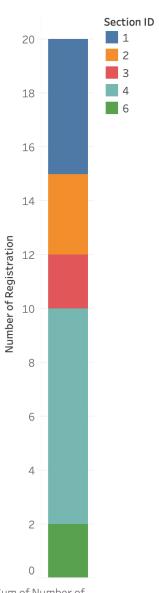

Registration by campus

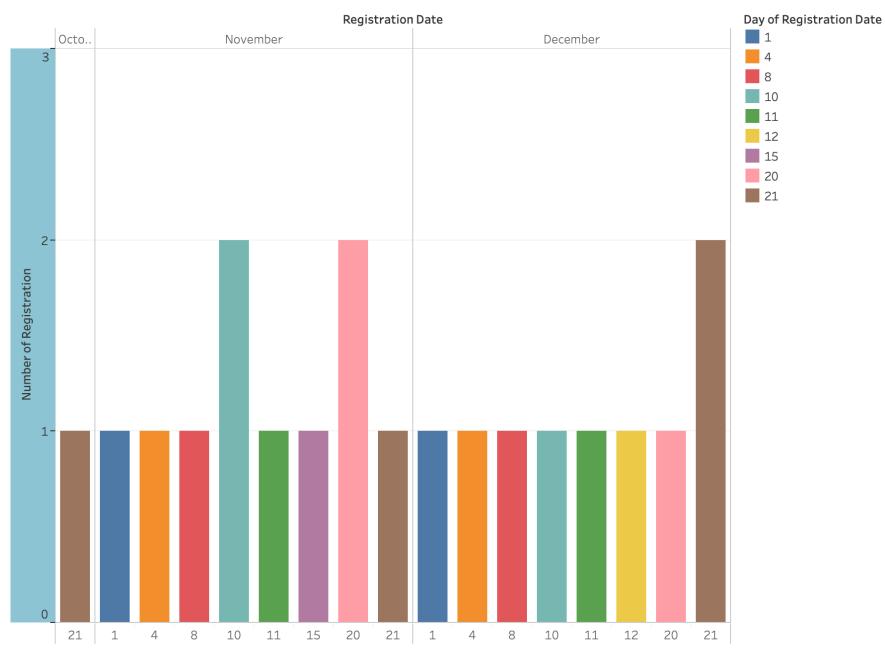

Sum of Number of Records for each Campus. Color shows details about CampusID (Campus).

Registration by section

Sum of Number of Records. Color shows details about Section ID.

Registration by date

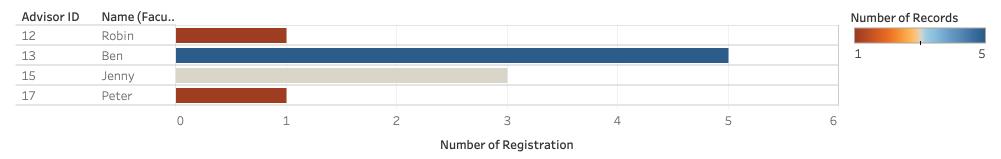

Sum of Number of Records for each Registration Date Day broken down by Registration Date Month. Color shows details about Registration Date Day.

Registration by major

Sum of Number of Records for each Major broken down by MajorID (Major). Color shows sum of Number of Records.

Registration by advisor

Sum of Number of Records for each Name (Faculty) broken down by Advisor ID. Color shows sum of Number of Records.

Registration by student

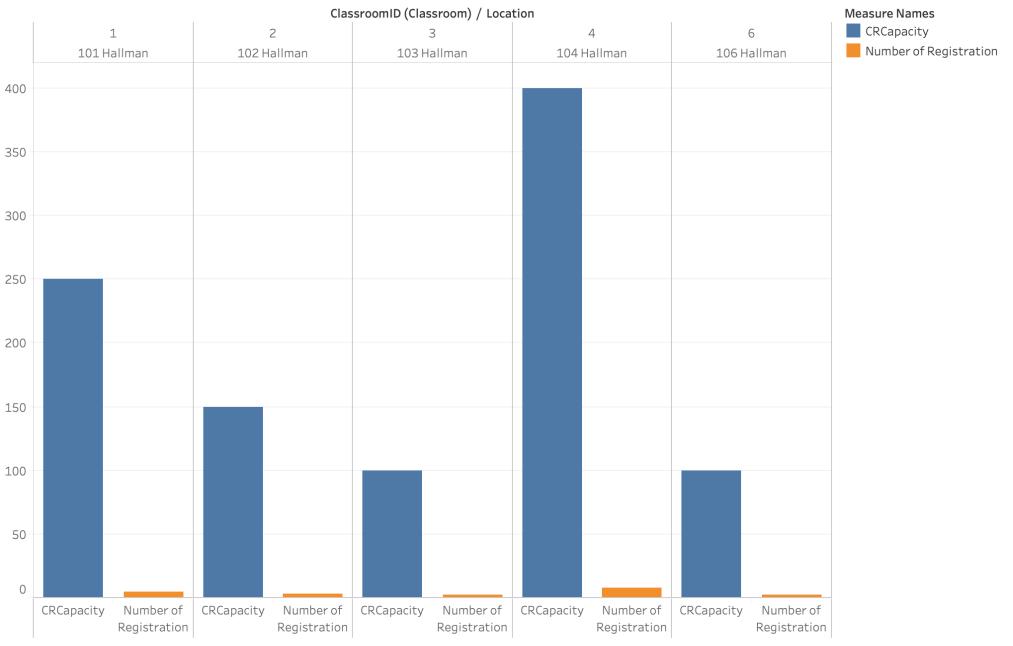

Sum of Number of Records for each Last Name broken down by First Name.

Registration by course

| CourseID | Code | Name | | | | | | | | | | | |
|----------|--------|-----------------|------------------------|---|---|---|---|---|---|---|---|---|--|
| 1 | IS6210 | Database | | | | | | | | | | | |
| 2 | IS6205 | Algorithm | | | | | | | | | | | |
| 3 | IS6200 | OOD | | | | | | | | | | | |
| 4 | IS7200 | Cloud Computing | | | | | | | | | | | |
| | | | 0 | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | |
| | | | Number of Registration | | | | | | | | | | |

Sum of Number of Records for each Name broken down by CourseID and Code.

Registration by classroom

CRCapacity and Number of Registration for each Location broken down by ClassroomID (Classroom). Color shows details about CRCapacity and Number of Registration.
